FYI.

Also – Alex you may have heard a 60 minutes producer will be at the NH PFAS event.

Subject: Heads up

Peter left a message for Alex but a heads up to you.

There is a meeting that they are working to schedule tomorrow with the Administrator about the CE in NH. I will provide the updated participant summary (using data in the morning) but they will also requested an agenda.

We have already started to put the last version you sent in the template and happy to update for the meeting tomorrow if desired.
